- 25X1 - According to [] the final results of the recent PMCD review should be received soon; at the latest by Christmas.

25X1 Combat Intelligence Analysis: []

- DoD has drafted a paper for the Working Group's consideration at its next meeting on 13 December. It consists of a short review of ongoing DoD intelligence activities in support of theatre commanders, and will provide talking points against which DIRNSA's concerns can be measured. The paper addresses on-going activities but it does not address architectural or coordination concerns.

25X1 Narcotics Intelligence Activities: []

- Final revisions, reflecting CIPC guidance and comments, have been incorporated into the follow-on narcotics report for the DDCI.
- Some 30 members of the narcotics intelligence community will be briefed by ORD on 11 December regarding projected areas of research in support of the narcotics effort.

25X1 CBW Intelligence Subcommittee: []

- There were no significant activities during the past week. The next subcommittee meeting will be held on 12 December with a presentation by Dugway Proving Grounds. One or more meeting is scheduled prior to the holidays, on 17 December, with presentations by CIA, DIA, and ITAC.
- Carol also met with [] on 7 December to discuss on-going subcommittee activities and the scheduling of future meetings.

25X1 FLASHBOARD: []

- The FLASHBOARD network will be expanded to include the NSC staff, based on a decision reached by Mr. McFarlane and Mr. Casey last week. []
